

Subj: Flag Education Program Presentation

To: Public School Fifth Grade Students

Time: 30 Minutes

Desired Learning Outcomes:

1. Be aware of basic history of the American Flag.
2. Be aware of basic provisions of the Flag Code.
3. Know proper actions for the Pledge of Allegiance.
4. Know proper actions for the National Anthem.
5. Develop increased respect for the Flag.

Plan of Presentation:

1. The class teacher will introduce the Veteran or individual presenting the program.
 - a. **Make contact with the teacher ahead of the presentation** to make preparations for accessing online materials. i.e. laptop/projector to view the online materials.
 - b. **Handouts can be accessed online as well. Teachers/volunteers may want to make copies prior to the presentation.** Otherwise, all materials needed can be found in this curriculum and online.
2. The online presentation begins at www.veterans.arkansas.gov/flag-program.html
 - a. Access videos and information outlined in this curriculum
3. Outline is not meant to be read. It is, however, to be followed to ensure that contents are covered. Use own words, encourage questions as you proceed and, if appropriate, use local examples.
4. Content and instruction are based solely on the Federal Flag Code. All answers will reflect that document, realizing that different organizations have institutionalized some procedures that may differ in some respects.
5. Have FUN!
